## About our charity.....

St. Jude Children's Research Hospital®, located in Memphis, Tennessee, is one of the world's premier centers for research and treatment of catastrophic diseases in children, primarily pediatric cancers.

### Mission

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of our founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.

### Founding

When late entertainer Danny Thomas opened the doors to St. Jude Children's Research Hospital in 1962, he was not just changing the lives of children who would walk through its doors—he was changing lives across the world. When St. Jude completed its \$1 billion, five-year expansion in 2005, it bolstered the hospital's efforts to find cures for the catastrophic diseases of childhood. The growth more than doubled the size of the hospital's original campus. The expansion included the Children's GMP, LLC—the nation's only pediatric research center on-site facility for production of highly specialized treatments and vaccines—an expanded Department of Immunology and more. Now with the addition of the Chili's Care Center, a larger, rejuvenated Kay Kafe cafeteria for employees and patients, and renovations to the medicine room and rehabilitation areas, the hospital is more poised than ever to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment.

All walking and open gaited classes will be conducted under the rules of S.H.O.W. Inc. RHBAA rules apply for racking and SWHBEA for spotted classes. Questions not covered by these rules shall be decided by the show management whose decision shall be final. **All versatility classes will be judged according to TWHBEA Versatility rules.** All decisions of the Judge and or the DQP(s) will be final. The show management reserves the right to refuse, accept conditionally and/or cancel entries, disqualify exhibitors, prohibit showing of entries and award of prizes without claim for damages or refunds.

#### Stall Assignments

Stall fees will be \$65.00 per stall for the length of the show. Stalls will be available for move in after 12 noon, on Thursday, April 12, 2012 until 12 noon on Sunday April 15, 2012. Anyone needing to move in before that time or leave after that time MUST make prior arrangements with the show office.

#### Ground Rules

All dogs must be confined or kept on a leash. No dogs are allowed inside arena areas. Dog owners will be held solely responsible for the actions of their dogs. Please dispose of manure in designated areas. Do not put manure in trash containers. Please clean all trash in and around stall area prior to leaving show grounds

#### Scratches

Class scratches must be made at least 1 hour prior to the performance in which the class is to be held. "No Shows" will be charged the regular entry fee.

#### Prompt Entrance into the Show Ring

A two-minute gate will be held for each class. Exhibitors must be prompt for entrance to the class or they will be excluded from that class. We have a lot of classes for a short period of time, and your cooperation would be greatly appreciated. In the event an exhibitor finds that he/she needs a gate hold between classes, please inform the Paddock Master as soon as possible. Every effort will be made to honor these requests.

#### Exhibitor Numbers

Numbers to be worn by an exhibitor will be assigned to each horse, not the exhibitor. This number must be worn in the show ring. Please make certain that your hair in no way conceals the back number.

#### Amateur Owned & Trained

A horse that qualifies for an AOT class is a horse owned by an amateur that has not had any type of professional training within the past 90 days. Professional training includes: grooming, warming-up the horse, bracing, or given instructions by a professional.

#### Sportsmanship and Safety

Show Management reserves the right to disbar from competition, by immediate expulsion from the arena, any exhibitor displaying un-sportsman like conduct. Each exhibitor is encouraged to practice safe horsemanship at all times on the show grounds.

#### Novice Rider Class

The Novice Rider Class is open to riders who have not won a first place ribbon. Eligibility of a novice entry is established as of the date of the closing of entries.

#### O/B Pleasure Classes

The Pleasure Class is open to all breeds. The Pleasure Class is typically a two-gaited class. Entries in O/B Pleasure Classes are not required to furnish a horse registration number.
